

Year 9 Academic Competitions 2019

Academic competition entries have been organised to provide enrichment and challenge for all our students. These competitions allow students to compete in an alternative setting and receive feedback on their performance compared to other students in the state or across Australia.

Competitions provide an opportunity for students to extend their learning beyond the classroom and raise expectations of performance.

The competitions for Year 9 this year are:

- Australian Mathematics Competition on 1 August - \$6.50
- Big Science Competition on 23 May - \$7.00
- ICAS English Competition on 17 September - \$14.50
- Australian Geography Competition on 5 April - \$4.00

Please see attached for completion entry and payment.

Yours Sincerely,

Peter Marsh
Principal
19 February 2019

Please complete and return to the front office by **1 March 2019**.
