- Student who do not wish to be coloured during the course and/or do not have parental permission, will walk around the coloured stations but remain involved in all other activities.
- We will do our best to spray the powder and water at the torso, however wind and other factors can cause the powder to protrude on the face. Students are encouraged to bring their own eye protection such as sunglasses or goggles.
- Students are also encouraged to bring a towel and a water bottle. A hosing station will be available for a wash down if wanted.
