

## Cities of Vesuvius

**Historical Analysis: Source-based extended response**

Due Date- Friday 24 July 2020

**Date Distributed: Term 2 Week 9 2020**

**Task Weighting: 30%**

### **Outcomes assessed:**

AH12.1 accounts for the nature of continuity and change in the ancient world

AH12.4 analyses the different perspectives of individuals and groups in their historical context

AH12.6 analyses and interprets different types of sources for evidence to support an historical account or argument

AH12.9 communicates historical understanding, using historical knowledge, concepts and terms, in appropriate and well-structured forms

## 2. WHY IS THE COMPLETION OF THIS ASSESSMENT IMPORTANT?

You have been investigating the Core Study, Cities of Vesuvius – Pompeii and Herculaneum by analysing and evaluating evidence from archaeological and written sources. You have examined how historians have used these sources to construct an understanding of the local geography, the eruption, early discoveries, representations of Pompeii, the economy and social structure. This task is important for the development and integration of historical sources into your extended response writing, in addition to your skill of identifying and evaluating historiographical issues that arise from the remaining evidence.

## 3. WHAT STEPS DO I NEED TO DO TO COMPLETE THIS ASSESSMENT TASK?

1: To assist your completion of this task, consolidate your notes on:

- Geography
- The eruption
- Early discoveries
- Representations of Pompeii
- The economy
- Social structure

2: Revise how to analyse sources for their, usefulness, reliability, value and limitations.

**The Task:** You will be given an unseen HSC style question with sources on the above dot points from the syllabus. The question will have THREE parts.

## Details for Submission
